Wij danken u voor de aanschaf van een meubel uit onze meubellijn. Middels dit certificaat willen wij u wijzen op de voorwaarden die gelden voor de (2 jaar) garantie op het product.

De garantie is gebaseerd op productiefouten. Bewaar het aankoopbewijs van uw meubel altijd zorgvuldig. Dit aankoopbewijs is onderdeel van uw garantie. Zonder het aankoopbewijs vervalt uw garantie.

Let op: monteren is accepteren. Controleert u het meubel en de wastafel a.u.b. direct na het in ontvangst nemen. Alleen schademeldingen die op de dag van levering worden gemeld nemen wij in behandeling

Uw garantie vervalt wanneer:

 - Het meubel wordt gebruikt in een omgeving waarin het continue wordt blootgesteld aan stoom
 - Het meubel op een afstand van minder dan 40 cm is geplaatst van een douchecabine of bad
 - Het meubel is gereinigd met een agressieve vloeistof of een ongeschikt schoonmaak hulpmiddel

 - Het water uit de kraan warmer is dan 70 graden Celsius
 - U zelf aanpassingen heeft gedaan aan het meubel
 - Het meubel voor langere tijd in direct contact heeft gestaan met water
- Schoonmaak advies:
- Gebruik een zachte, milde zeep om het meubel te reinigen. Na gebruik en/of reinigen altijd direct droogmaken met een zachte doek

Wij wensen u veel plezier met uw nieuwe badmeubel!
